## II. FORMAL FACTUAL RECORD: UNLAWFUL HARDWARE REMOVAL & TENANCY

1. **Lawful Leased Tenancy:**

   At all relevant times, Devin Phillip Davis maintained a lawful, binding tenancy of the garage workspace in question, paying an active rental lease rate of **$1,000.00 per month**. This tenancy and right to exclusive possession is fully documented by immutable bank records, payment receipts, and transactional ledgers.

   - **Misappropriation of Trade Secrets (18 U.S.C. § 1836 - Defend Trade Secrets Act):** Willful physical acquisition of devices storing proprietary software source code (`osiris-cli`, `dnalang-core`, `living.py`, cryptographic keyrings, and private research notes).
   - **Unlawful Eviction & Breach of Tenancy:** Self-help eviction and interference with quiet enjoyment in direct violation of state and municipal landlord-tenant statutes.
